

DOING GOOD IN OUR COMMUNITY

SCHOOL SHOES 2012:

We want to thank so many of you who last year responded to our newsletter on how to provide school shoes to homeless children in Lane County.

It's that time of year again, so let's all work together to give every child in need a running start to the school year!

It's very simple:

If you would like to donate school shoes to homeless children in our area simply purchase a gift card at a local shoe retailer and contact the McKinney Homeless Education Program liaison for your school district:

The liaison will make sure your donations for shoes go to those children in need.

All of us at Sanipac would like to thank you so much for your time and generosity in our community!

Sadly, last year 2,230 Lane County students experienced homelessness during the school season. The McKinney Homeless Education Program provides educational stability to those homeless children in our area during our time of turmoil. Liaisons in each school district assist local families directly with basic needs such as school supplies, transportation to school, clothing and shoes.

Particularly during this time of year there is a great need for
